

# NOV 2019 INTERN NEWSLETTER

## GENERAL INFORMATION & ANNOUNCEMENTS

**CONGRATULATIONS** on being selected for the McCownGordon Summer Internship program! We are so excited to have you join our team for the summer. Look out for our monthly newsletter and emails for important information regarding your internship.

**HAPPY HOLIDAYS!** Keep an eye on your mailbox for a special gift from us to help you make it through finals. Finish strong!

### LAUREN FRANKEN

#### FORMER INTERN SPOTLIGHT

##### ROLE & CURRENT PROJECT / DEPARTMENT

Field Engineer for KDA Lab in Manhattan, KS

##### FAVORITE ELEMENT OF THE INTERNSHIP PROGRAM

*"The best part about the internship experience, for me, was learning directly from the professionals that I was around every day. Individuals on both the McCownGordon team and from other trades were unparalleled sources of knowledge. I learned TONS about underground utilities and foundations of buildings (and cranes!)."*

##### FAVORITE MEMORY FROM THE SUMMER

*"My favorite memory from my summer internship was attending Hot Country Nights at the Power and Light District in KC with other interns!"*

#### PROJECT SPOTLIGHT **KU VOLLEYBALL**

The stunning arena was built from the ground up and it encompasses every volleyball player's wish list! The facility includes nearly \$1 million worth of audio and visual elements, a luxury full bar and donor area and a state-of-the-art medical training room solely dedicated to volleyball. A stand out feature is the Taraflex floors, which as opposed to traditional wood flooring lay on top of the wood and help with shock absorption and ease sliding abilities while avoiding floor burns. Not only did the McCownGordon team work hard to maintain access to all locations and avoid disruption of other sports operations, the team managed to finish the project on time with one month of weather delays.

**\$10 MILLION | 8 MONTHS | 30,000 SF**

## Q&A

**Q** What is the best way to get my questions answered about this summer?

**A** Contact the *Talent Development* team!
